Good afternoon,

Thank you again for reaching out to the EPA to learn more about the Agency's efforts to
implement the *Federal Research Action Plan on the Use of Recycled Tire Crumb Used on
Playing Fields and Playgrounds*. Attached please find a draft of the meeting minutes from our
March 22, 2016 meeting. Please provide me with any edits to the draft meeting minutes by COB
Monday April 11. I will distribute a final version of the minutes to all who participated later that
week.

Thank you again. We sincerely appreciated the interactive dialogue and the opportunity to ask
questions during the meeting. Ksenija Janjic and Chris Carusiello of EPA will be reaching out to
you in the near future regarding the potential follow-up activities we discussed during our
meeting.

Best Regards,

Nicole Villamizar
